The day Jesus was crucified and died for our sins	The day Jesus was found to be risen from the dead	The day when guards stood watch over Jesus' tomb and no activity was seen	When Jesus visibly departed from Earth and was taken into heaven
The span of time Jesus spent on Earth after his resurrection to prove he had risen and to further instruct his disciples	The day when the Holy Spirit descended upon the Apostles in the upper room - We call it the birthday of the Church.	The day when Jesus entered into Jerusalem and people threw down cloaks and palm branches to honor him	The day before Jesus' crucifixion when he celebrated the Last Supper with his apostles and suffered his agony in the garden.

Forty Days after Easter	The day of Easter	Fifty days after Easter	The Friday before Easter
